Engineer Newsletter Live Videos

To watch videos on your own schedule, visit the [Self-Paced Learning](#) page and select 'Online' under Delivery Method and 'ENL Engineers Newsletter Live Programs' under Category in the filters to the left. Quizzes for credit are available through Trane Education Center (TEC).

Quiz instructions: Once you have successfully logged into TEC, enroll in the course and click "Play" in the top left. On the next screen, scroll to the bottom and click on 'Quiz'. Once you have successfully completed the quiz (you will see the score that is required to pass, but you can take the quiz as many times as needed), you will then navigate to My Learning History in order to download your certificate. If you have any issues with TEC, click [here](#) to send an email.
